

Hearts & Bikes Pledge Form

Welcome to Hearts & Bikes...

Launching July 7th from the Great Life Foundation in Salt Lake City, Utah Hearts & Bikes will be pedaling 550 miles in five and a half days over Utah mountains, across burning Nevada deserts to arrive in Las Vegas, on July 12th.

Participants will be riding to raise money and bring awareness to Hearts & Hands in Action, a charitable organization involved in correcting squalid, third-world living conditions on Native American reservations by building well constructed homes, (20 to date), and taking on water projects in Utah and the Western United States.

Please support Hearts & Hands to improve the lives of deserving Native Americans by pledging pennies (or dollars) per mile to Hearts & Bikes. Donate directly online at: heartsandbikes@.com and invite your friends and family to make or match your pledge. All donations are tax deductible. Hearts & Hands is a tax-exempt registered non-profit 501(c) (3) organization. Thank you for your generosity!
